Closure of Consent Administrative Orders LIS 20-166 & 20-166-001**

Dear Mayor Logan:

In reviewing the files for the above-referenced Consent Administrative Orders (CAOs) LIS 20-166, as amended by 20-166-001, the Division has determined that the requirements have been met. Therefore, CAOs LIS 20-166, as amended by 20-166-001, were closed as of the date of this letter.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAOs. The closure of these CAOs by the Division does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Division will consider these CAOs as required by Arkansas Pollution Control and Ecology Commission Rule 7, Civil Penalties. This rule requires the Division to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Tiana Toups, Compliance Analyst, at 501-682-0699 or tiana.toups@adeq.state.ar.us.

Sincerely,

Stacie R. Wassell
