**From:** Mayor Sanders      **NPDES #:** AR0022560

**To:** Jacqueline Trotta

Mayor Sanders and Superintendent Kenneth Ellis called me in regards to a letter I sent for submitting a CAP for effluent violaitons. The letter had a due date of the CAP of 8/28/14. The Mayor stated that they are contacting their engineers to help develop the CAP and requested a month extension. I told them the new due date of the CAP would be 9/19/14.
