**RE: Paragould Light and Water Commission  
NPDES Permit Number AR0033766 AFIN 28-00470  
Closure of Consent Administrative Order LIS 16-075**

Dear Mr. Phillips:

In reviewing the files for the above-referenced Consent Administrative Order (CAO) LIS 16-075, the Division has determined that the requirements have been met. Therefore, CAO LIS 16-075 was closed as of the date of this letter.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAO. Closure of this Order by the Division does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Division will consider this Order as required by Arkansas Pollution Control and Ecology Commission Rule No. 7, Civil Penalties. This Rule requires the Division to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Christina Brown, Enforcement Analyst at 501-682-0840 or [christina.brown@adeq.state.ar.us](mailto:christina.brown@adeq.state.ar.us).

Sincerely,

Alan York  
Associate Director, Office of Water Quality  
5301 Northshore Drive, North Little Rock, AR 72118
