Dear Mr. Sorrells:

The Discharge Monitoring Report (DMR) submitted for the February and March 2013, Monitoring Periods, Discharge Number 001-A has been received by the Department. Upon review, I noticed that you failed to *submit parameter values for Nitrate plus nitrite total 1 det.(as N), Overflows, and Overflow volume (SSO volume, CSO volume)*.

Please provide the missing parameter values in the highlighted space, print your name and telephone number, sign, and date each DMR. These corrected copies should be received by the Department **by May 15, 2013**.

Thank you for your attention to this matter. Please include your NPDES Permit Tracking Number AR0033880 and AFIN 26-00145 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0630 or you may e-mail me at layher@adeq.state.ar.us
