Re: NPDES Permits AR0020109, AR0033880 & AR0050148, NetDMR Signatory Approval

Dear Mr. Sorrells,

The signed subscriber agreement for James Sorrells of the City of Hot Springs has been received and access as Signatory Authority in NetDMR has been approved by the Arkansas Department of Environmental Quality. In addition, your Discharge Monitoring Reports (DMRs) are ready for online submittal. Please log into NetDMR and verify that the permit limits are accurate and let us know if you find any discrepancies.

We appreciate your willingness to use NetDMR and patience while we work to implement this new method for submitting your DMRs electronically. Please remember that you must change your NetDMR password every 90 days, and each new password must be different than your last 10 passwords by at least 3 characters. If you have any questions, please contact me at (501) 682-0644 or by email at mills@adeq.state.ar.us

Sincerely,

A handwritten signature in blue ink that reads "J.C. Mills".
