Corning, AR 72422

RE: NPDES Permit Number AR0033979, AFIN 11-00061,
Missing Discharge Monitoring Reports/Sanitary Sewer Overflow Reports

Dear Mayor Phelan:

The Discharge Monitoring Reports (DMR) for 12/31/2009, 3/31/2010, 6/30/2010, 9/30/2010, 12/31/2010, 3/31/2011, and 6/30/2011 Monitoring Periods, Discharge Number TX1Q have not been received by the Department. Please submit two legible copies of the DMRs with an **original signature and date** by the Cognizant Official.

The DMRs for 11/30/2008 and 12/31/2008 Monitoring Periods, Discharge Number 001A have been received by the Department. Upon review, I noticed that you failed to report **Dissolved Oxygen** parameter on both DMRs. Please submit the corrected DMRs, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMRs with an **original signature and date** (**RE-SIGN and RE-DATE**) by the Cognizant Official.

The Sanitary Sewer Overflow Reports (SSO) for 04/2008, 05/2008, 08/2008, 11/2008, 03/2010, 04/2010, and 06/2011 have not been received by the Department. Submittal of these reports is required.

Please submit all DMRs and SSOs listed above no later than **November 7, 2011**. Failure to submit required reports is a serious permit violation and subjects you to penalties under Part II, Section A of your permit, not to exceed \$10,000 per day of violation.

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0033979 and AFIN 11-00061 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at carlsonm@adeq.state.ar.us.

Sincerely,

Michelle Bolenbaugh
