RE: NPDES Permit Number AR0033979, AFIN 11-00061,
Deficient Discharge Monitoring Reports

Dear Mr. Robinson:

The Discharge Monitoring Reports (DMR) submitted for **2/28/2014 through 5/31/2014** Monitoring Periods, Discharge Number 001A have been received by the Department. Upon review, I noticed that you failed to submit parameter values for the parameters I have highlighted on the DMRs I provided. If analysis was not conducted for a parameter during a given monitoring period please write an "E" in the highlighted section for that parameter. If a parameter value was required by your permit but analysis was not conducted, please provide a Non-Compliance Report detailing why analysis was not conducted.

Please submit the corrected DMRs, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMRs with an **original signature and date (RE-SIGN and RE-DATE)** by the Cognizant Official. These corrected copies should be received by the Department no later than **August 29, 2014.**

Thank you for your attention to this matter. Please refer to NPDES Permit Number AR0033979 and AFIN 11-00061 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at bolenbaughm@adeq.state.ar.us.
