RE: NPDES Permit Number: AR0033979, AFIN 11-00061
Missing Discharge Monitoring Reports and Request for Change of Authorization

Dear Ms. Robinson:

We have reviewed the above referenced file and determined the Discharge Monitoring Reports (DMRs) for the following monitoring periods are not on file:

- 10/31/2014; Discharge Number 001-A
- 11/30/2014; Discharge Number 001-A
- 12/31/2014; Discharge Number 001-A
- 04/30/2015; Discharge Number 001-A

Failure to submit required reports is a serious permit violation and subjects you to penalties under Part III, Section A.2 of your permit, not to exceed \$10,000 per day of violation.

If you have already sent the DMRs in question, please re-send a copy so we may place them on file and correct our records. If analysis was not conducted, please write an "E" in each section for that parameter on the DMRs provided to denote "Analysis Not Conducted". Submit two legible copies of each DMR with an **original signature and date** by the Cognizant Official. Your response should reach the Department by **April 8, 2015**.

Also, the Water Division Enforcement Branch is requesting that the permittee submit an updated signatory authorization form for the facility referenced above, as Mayor Dewayne Phelan is still listed as the facility's Responsible Official. Enclosed is a signatory authorization form. Please fill out the form completely and submit the completed form back to the Department so we may place them on file and correct our records.

Thank you for your attention to this matter. Please refer to NPDES Permit Tracking Number AR0033979 and AFIN 11-00061 in any written correspondence to this Department. Should you have any questions, feel free to call me at 501-682-0823 or e-mail me at barber@adeq.state.ar.us.
