

Record of Communication

Key#: 820 **Date:** 12/10/2015 1:46 **Facility:** City of Dumas

From: Kyle Barber, ADEQ Water Enforcemen **NPDES #:** AR0033987

To: Patrick Fitzgerald, WW Manager, City

I informed Mr. Fitzgerald that the DMR for the monitoring period ending 09/30/2015, Discharge Number TX1-Q was not on file at ADEQ. I asked Mr. Fitzgerald if he could submit a copy to us. Mr. Fitzgerald looked through his files, but could not find a copy of the DMR. Mr. Fitzgerald said that the DMR must not have been sent to him by their contracted lab, and he said that he would call the lab to find out what happened and to request a copy of the DMR. I asked Mr. Fitzpatrick to send us a signed copy of the DMR as soon as he received it.
