RE: NPDES Permit Number AR0033987, AFIN 21-00045
Permitted Effluent Limitation Violations

Dear Mayor. Brigham,

A review of recent Discharge Monitoring Reports (DMRs) for the above-mentioned facility revealed the following compliance issues:

The City of Dumas reported a NODI CODE E which is that no sample was conducted for its quarterly Arsenic test on the DMR for 12/31/2017. No sample being taken is a violation of the Permit.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0667, or you may e-mail me at gavin.gray@adeq.state.ar.us.

Sincerely,

Gavin Gray
