RE: AFIN: 21-00045

NPDES Permit No.: AR0033987

Dear Mayor Berry:

The Department has received your response to the September 27, 2011 inspection of your facility by our District Field Inspector, Steven Henderson. Your response has been deemed deficient for the following reasons:

1. The Department requires that you send a corrective action plan with a time line.
2. The Department requires photo documentation of the corrective actions taken.

A copy of the inspection report and the inadequate response is included with this letter for your review. Please submit an adequate response to the Water Enforcement Branch by **October 31, 2011**. Failure to adequately respond by this date will be considered in determining the enforcement action, if required, for this construction site.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at carlsonm@adeq.state.ar.us.

Sincerely,

Michelle Carlson
