**RE: NPDES Permit Number: AR0034002, AFIN: 63-00065
Closure of Consent Administrative Order LIS 20-128**

Dear Mayor Scott:

In reviewing the files for the above-referenced Consent Administrative Order (CAO) LIS 20-128, the Division has determined that the requirements have been met. Therefore, CAO LIS 20-128 was closed as of the date of this letter.

The Respondent shall maintain the corrective actions taken to comply with the requirements of the CAO. Closure of this CAO by the Division does not preclude any future enforcement action deemed necessary. If future violations occur that require enforcement action, the Division will consider this CAO as required by Arkansas Pollution Control and Ecology Commission Rule 7, Civil Penalties. This Rule requires the Division to consider the history of your facility and how expeditiously violations were addressed in determining any civil penalty that may be necessary for any future violations.

Should you have any questions about this matter, please contact Danielle Harbin, Enforcement Coordinator at 501-682-0056 or Danielle.harbin@adeq.state.ar.us.

Sincerely,

Alan York
