Corrective Action Plan Milestone Schedule and Final Compliance Date of CAO LIS 16-057

Mark,

As we discussed yesterday, the final compliance measures and date needs to be clarified for the projects related to resolving the CAO violations. The Department would like to meet with you and Mr. Johnson to discuss the scope of the work being done related to resolving the CAO issues, define the milestone dates of the associated projects related to the CAO, and quantify a clear definition for measuring successful resolution. Other relevant issues or questions you or your team may have to the CAO may be addressed as well.

Please advise which of the following dates and times will work with you and Mr. Johnson's schedule to meet at the ADEQ office:

- May 10, 2018 10:00 AM
- May 18, 2018 10:00 AM
- May 22, 2018 2:00 PM

Your attention to this matter is most appreciated. Should you have questions or need assistance please contact me at 501-682-0699 or by reply to myrl.lawrence@adeq.state.ar.us.

Sincerely,
