Subject: CAO Progress Report Reminder

Good afternoon, Ms. Batterton,

As a follow up to our previous conversation, this is just a friendly reminder that per the requirements of CAO LIS 21-105 for the City of Yellville (AR0034037), the following report is to be submitted to DEQ by **September 15, 2022:**

- A status/progress report detailing the corrective actions that have been taken to come into compliance with the permit.

You are welcome to send this report via email to water-enforcementreport@adeq.state.ar.us or you may send them to your enforcement analyst Josh Hickey, who I have copied on this email. His direct line is 501-682-0939 should you have any questions about this report.

Thank you for your attention to this matter.
