

AGENDA

DEQ Zoom meeting with the City of Yellville

Wednesday, May 19, 2021 at 3:30pm

1. Introductions
2. Discussed update on Corrective Action Plan (CAP)
 - a. Obtaining funding has delayed the progress
 - i. The City has submitted applications for other funding options
 - b. Have a plan for repairing collection system and treatment plant
 - i. Plant changes include grit removal system, sludge processing equipment, bar screen, and augmented post aeration system
3. Discussed recent operator situation
 - a. Rob Pugsley (licensed operator) is willing to help out the City as they try to find a replacement
 - b. Potential to work with the City of Flippin
 - c. CAO will include timeframe to obtain a properly licensed operator
4. Discussed the City accepting waste from the City of Summitt and potential issues
5. Response and/or follow-up if necessary
 - a. Contact Susan Poe with ARWA
 - b. Submit a Revised CAP with an updated milestone schedule that includes repairs to WWTP and collection system
