CAP Response**

Dear Mayor Weldon:

The Division of Environmental Quality (DEQ) received and reviewed the Corrective Action Plan (CAP), dated November 28, 2022, for the above referenced facility. The CAP was deemed adequate with the following comments:

- Please submit quarterly progress reports detailing the progress made with the corrective actions listed in the CAP. The first progress report will be due on January 15, 2023, and should be submitted quarterly thereafter until the CAP has been completed.
- Due to the length of time it will take the City of Malvern to achieve final compliance, DEQ will be drafting a Consent Administrative Order to address all violations and enforce the CAP.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0056 or you may e-mail me at leslie.allen-daniel@adeq.state.ar.us.

Sincerely,

A handwritten signature in cursive script that reads "Leslie Allen-Daniel".
