RE: NPDES Permit Number AR0034126, AFIN 30-00040
Permitted Effluent Limitation Violations

Dear Mayor Weldon,

A review of recent Discharge Monitoring Reports (DMRs) for the above-mentioned facility revealed the following compliance issues:

The facility has reported 1 violation of Part I, Section A of NPDES Permit No. AR0034126 during the review period. DEQ requires the City of Malvern to work toward preventing violations of the Part I, Section A., Effluent Limitations and Monitoring Requirements of the Permit.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0664, or you may e-mail me at Sarah.Pierce@adeq.state.ar.us.

Sincerely,

Sarah Pierce
Enforcement Analyst
Office of Water Quality, Enforcement Branch
