Kristen,

Thanks for taking my call earlier today. The City of Malvern will promptly respond to your letter dated January 5, 2024 after the next city council meeting scheduled for February 12, 2024. This provides additional time to discuss and prepare so that we may adequately inform the city council of the proposed CAO.

If you have any questions, please let me know. Have a great weekend.

David, I can add this, but not sure the council will totally understand, should I let her know we won't meet until February or should I call a special meeting?
