Monthly Progress Report 08

Dear Sir or Madam:

Three (3) sanitary sewer overflows (SSOs) were observed during the month of November 2024, but none occurred at manholes #154 or #155 near Larel and Davis. A synopsis is below:

1. MH-0069 – Due to the installation of an isolation valve at the Walco Rd PS.
2. MH-0069 – Due to a Walco Rd Pump Station control panel failure.
3. Private service line after it was directionally bored through by a fiber optic cable company.

Should you have any questions or concerns, please don't hesitate to reach out anytime at 501.664.1552.

Sincerely,  
Crist Engineers, Inc.
