Dear Mayor Weldon:

DEQ has received and reviewed the milestone schedule submitted on April 9, 2024 regarding the elimination of the overflow pipe at the corner of Kelly and Morzett Streets. The milestone schedule was deemed adequate with the following comment:

- Upon completion, please submit to DEQ, a report certified by a Professional Engineer that the project has been completed and that the overflow pipe has been sealed or eliminated.

Should you have any questions, feel free to reach out to me at Kristen.Graham@adeq.state.ar.us or 501-682-0758.

Sincerely,
