Subject: 2022 SSO Annual Report

Mr. Healey,

This is our 2022 SSO annual report as required by ADEQ. The one thing that we have done that is not mentioned in the attachments is we spent almost 1 million dollars on pipe bursting, pipe lining, and manhole rehabilitation.

If you have any further questions, please call 501-732-0120, or email me.

Carl Wheatley
Wastewater Superintendent
