Dear Mr. Brown,

The Department has conducted a file review of the above referenced permit and determined the following Discharge Monitoring Report (DMR) is not on file:

- June 2012 – Discharge Number 001-A

If you have already sent the DMR in question, please re-send two copies of it so we may place it on file and correct our records. If you have not sent in the DMR in question, please do so immediately. The copies should be re-signed with an original signature and date. Your response should reach the Department by **December 3, 2012**. Please note that carbon copy, fax, or photocopy signatures are unacceptable.

Thank you for your attention to this matter should you have any questions, please feel free to contact me at 501-682-0632 or via email at copenhaver@adeq.state.ar.us.
