Deficient Discharge Monitoring Reports

Dear Mr. Daniel:

The Discharge Monitoring Reports (DMRs) submitted for the April 2009 and October 2009 Monitoring Periods, Discharge Numbers 001A have been received by the Department. Upon review, I noticed the parameter value for Dissolved Oxygen (INST MIN) on the April 2009 DMR, and the parameter values for BOD (MO AVG, lb/d), Total Suspended Solids (MO AVG, lb/d), and Flow (MO AVG and DAILY MX, Mgal/d) were not submitted. Submittal of these parameter values is required.

Please submit the corrected DMRs, clearly marked as "Corrected Copy" with the changes highlighted. Submit two legible copies of the corrected DMRs with original signatures and dates on at least one copy. The corrected copies should be received by the Department by **June 8, 2012**.

Thank you for your attention to this matter. Should you have any questions feel free to contact me at 501-682-0632 or you may e-mail me at bolenbaugh@adeq.state.ar.us

Sincerely,

Jason Bolenbaugh
