Dear Mayor McKee,

The Department received and reviewed the revised Corrective Action Plan (CAP) dated October 30, 2018 for the above referenced facility. The response was deemed inadequate with the following comments:

- The City of Mena shall submit additional explanation on the facility's influent and bypass valve issues.

Your response should reach the Department by November 21, 2018. Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0639 or by e-mail at bailey.taylor@adeq.state.ar.us.

Sincerely,
