SSES Plan Response**

Dear Mayor Smith,

DEQ received and reviewed the Sanitary Sewer Evaluation Study (SSES), dated January 2020, for the above referenced facility. The survey was deemed adequate with the following comment:

- The City of Mena shall submit a milestone schedule detailing the actions that will be taken to address the collection system and the timeline associated with those actions. This milestone schedule should reach DEQ by **March 6, 2020.**

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0639 or by e-mail at bailey.taylor@adeq.state.ar.us.

Sincerely,

Bailey Taylor
Enforcement Coordinator
Office of Water Quality
