Good afternoon,

Attached, please find the revised Amendment to CAO LIS 18-046, along with a letter containing relevant information. Please review this documentation and, if you agree to the terms of the Order, sign and return to me at this email address within 20 calendar days. I've also attached a City Council Resolution form; please complete this and return it along with the signed Amendment.

Once I receive the signed Order, I will take it to DEQ's Director for his signature. Upon his signature, I will send you the executed copy of the Amendment, along with other relevant information/dates.

Reach out if you have questions.

Thank you,

KRISTEN GRAHAM
