RE: Permit No.: AR0036692 AFIN: 57-0042

Dear Mr. Spencer

In reviewing our records for the above-mentioned permitted facility, the Department notes that the following scheduled event will soon become due:

Achieve final compliance with emission or discharge limits

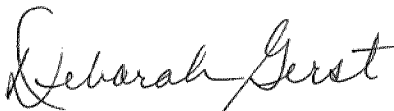

Due: 03/01/2015

Report final compliance date and include a certification that the final effluent limits for copper were met on the effective date and that the limits are still being met.

The Department appreciates your continued cooperation in submitting required documents in a timely fashion and wishes to take this opportunity to remind you that late submittals may lead to formal enforcement action pursuant to the Arkansas Water and Air Pollution Control Act.

Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0638, or you may e-mail me at gerst@adeq.state.ar.us.

Sincerely,

Deborah Gerst
