Mayor Glass,

Ok, thank you for the update. I look forward to receiving the confirmation and operator's information.

Thanks,

Jacqueline,

Just wanted to update you on the progress in finding a Class II Operator for the Aubrey Waste Water Treatment Plant. I have spoken with 2 (two) Class IV Operators that have agreed to oversee our facility. I am waiting on the approval from the City Council to move forward with this process. Our next Council meeting is scheduled for November 2nd, 2015. I will update you on the following day with a confirmation and the individuals contact number. Please let me know if you have any questions. Thank you and have a great day.

Chad C. Glass *Mayor: City of Aubrey, Arkansas*

Mayor Glass,

Per our phone conversation just now, please submit written documentation to the Department by **November 12, 2015** that the City of Aubrey has secured a Class II wastewater operator as required by the above referenced permit. Failure to do this, will result in a proposed formal enforcement action to be drafted.

Also, I understand that you will be emailing me by the end of this week, an update of the

status of the above requirement. I look forward to receiving the update.

Feel free to contact me if you have any questions.

Thanks,
