RE: NPDES Permit #: AR0042846, City of Augusta.
Response to pH Noncompliance

Dear Mr. Jennings,

Thank you for your submission of the Non-Compliance Report for the pH violation submitted on your certified Discharge Monitoring Report for the period ending May 31, 2021. Please forward the name of the environmental consultant and firm contracted to identify the cause of the violation. Once the evaluation has been completed, please also forward a copy of the report, any recommendations for corrective actions, and your planned corrective actions, milestone schedule, and final compliance date for review by DEQ.

As a reminder, any violation of your permit is subject to enforcement by this Division. The Permit and environmental law require that necessary actions be taken to return to compliance and prevent recurrence.

Should you have additional questions or desire further assistance, please contact the undersigned.

Kindest Regards,

A handwritten signature in black ink, appearing to read 'Myrl Lawrence'.
