RE: NPDES Permit Tracking Number AR0042846, AFIN 41-00001,
Deficient Discharge Monitoring Report

Dear Mr. Peterson:

The Discharge Monitoring Report (DMR) submitted for the March 31, 2010 Monitoring Period, Discharge Number (pipe) 03BA has been received by the Department. Upon review, I noticed that you failed to report the loading monthly average and daily maximum for flow. Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the changes highlighted. Submit two legible copies of the corrected DMR with an **original signature and date** by the Cognizant Official on at least one copy. These corrected copies should be received by the Department **no later than February 9, 2012**.

Thank you for your attention to this matter. Please refer to NPDES Permit Tracking Number AR0042846 and AFIN ⁴¹-00001 in any written correspondence to this Department. Should you have any questions, feel free to contact me at 501-682-0639 or you may e-mail me at allen-daniel@adeq.state.ar.us

Sincerely,
