Re: NPDES Permit AR0043389, NetDMR Approval

Dear Benzene Collier,

The signed subscriber agreement for Benzene Collier of the Helena Municipal Water and Sewer System has been received and access as Signatory Authority in NetDMR has been approved by the Arkansas Department of Environmental Quality. In addition, your Discharge Monitoring Reports (DMRs) are ready for online submittal. Please log into NetDMR and verify that the permit limits are accurate and let us know if you find any discrepancies.

We appreciate your willingness to use NetDMR and patience while we work to implement this new method for submitting your DMRs electronically. Please remember that you must change your NetDMR password every 90 days, and each new password must be different than your last 10 passwords by at least 3 characters. If you have any questions, please contact me at (501) 682-0615 or by email at ramsey@adeq.state.ar.us.

Sincerely,

David E. Ramsey
