RE: NPDES Permit Number AR0043613, AFIN 14-00059,
Missing Discharge Monitoring Report

Dear Mr. Thomas:

Upon review of the file for the above referenced permit, it has been determined that the Discharge monitoring Report (DMR) for the Chronic WET Testing for the 6/30/2013 Monitoring Period is missing.

Submission of this DMR is required. For your convenience I am attaching a DMR form for the report in question. Please fill it out and return it to ADEQ no later than December 27, 2013

Thank you for your attention to this matter. Please feel free to contact me at 501-682-0636 if you have any questions or you may e-mail me at porterg@adeq.state.ar.us

Sincerely,

Gina Porter
