Kristen,

Thank you for the reminder. We met with Andy Franks of A.L Franks engineering this afternoon concerning the CAP that is over due. He assured me that he would get that completed and submitted to you in a timely manner.

I also so checked with the City tresurer about the check for the civil penalty. She is in the process of issuing a check today.

If you have any questions, feel free in contacting me at 870-234-2955.

Thank you,

Russell Thomas, Superintendent  
City of Magnolia-Big Creek WWTP  
Permit No. AR0043613
