RE: NPDES Permit Number AR0044016, AFIN 33-00036
Izard County Correctional Facility

Dear Mr. Starks,

The Discharge Monitoring Report (DMR) submitted for the Monitoring Period ending 06/30/2013, Discharge Number 001-A has been received by the Department. Upon review it was noted that the DMR had the following deficiencies:

- Page 2 of the DMR, featuring the BOD parameter, was missing
- The data for Total Suspended Solids, Daily Max (lb/day) was not supplied

Submittal of a corrected Page 1 (enclosed) and submittal of Page 2 will be required. Please mark "Corrected Copy" on Page 1 when submitted and add a fresh, original signature and date. Your response should reach the department by **September 27, 2013**.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0631 or you may e-mail me at johnsonm@adeq.state.ar.us
