RE: NPDES Permit Number AR0047384, AFIN 70-00068
Missing Discharge Monitoring Reports

Dear Mr. Murphy,

A review of the NPDES file for the above facility has revealed that the following Discharge Monitoring Reports (DMRs) have not been received by the Department:

- DMR Monitoring Period End Date 07/31/2013, Discharge 001-A
- DMR Monitoring Period End Date 08/31/2013, Discharge 001-A
- DMR Monitoring Period End Date 09/30/2013, Discharge 001-A

If you have already submitted the DMRs in question, please assist us in correcting our records by submitting two copies of each marked with an original signature and date (carbon copy, photocopy or faxed signatures cannot be accepted). If the DMRs have not been submitted, please do so immediately. Your response should reach the department by **November 8, 2013**.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Thank you for your assistance in this matter. Should you have any questions concerning the above referenced compliance issues, please feel free to contact me at 501-682-0631, or you may e-mail me at johnsonm@adeq.state.ar.us.

Sincerely,

Miles Johnson
