Some people who received this message don't often get email from kbreckenridge@saltengineers.com. [Learn why this is important](#)

Tom,

Please accept this email as the quarterly progress report for the Clinton CAO LIS 24-065. The WWTP Improvements project was bid on October 10 , 2024. Please see attached bid tabulation. Construction will begin as soon as the NDPES Construction Permit is received and the ANRC Loan closes. We expect both of these in February 2025.

Please let me know if you have any questions regarding the progress of these corrective actions.

Sincerely,

C. Kyle Breckenridge, P.E., BCEE, PSAP
