Mr. Burgess

I noticed that you have been signing Clinton's DMRs for the past several months. Since you have been/will be signing DMRs, please mail two signed copies of the ADEQ Request for Change of Authorization form (one for each of Clinton's NPDES Permits) to us at your earliest possible convenience. This will verify that the mayor has granted you signatory authority for your NDPES permits.

I don't have access to Clinton's ARG160000 DMRs, but if you are signing those, then you will need to submit a third form. Let me know if there's anything I can do to help you with this, and thank you for your response to the previous inspection issues.

Thanks
