Good morning!!

There are 3 reports that need submitted all on the same day of June 30, 2020

1. Submit Mercury Minimization Plan (MMP) progress report
2. Submit a progress report addressing the progress towards attaining the Final Effluent Limitations for Total Recoverable Cadmium.
3. Whole Effluent Toxicity (WET) Limitations for P. promelas chronic toxicity limits

Please submit these 3 reports to me on or before June 30, 2020.

Thank you.
