RE: NPDES Permit Number AR0048836, AFIN 71-00018

Dear Mayor McCormac:

A review of the NPDES file for the above facility has revealed that the following reports required by the Permit have yet to be submitted:

1. Submit a Mercury Minimization Plan (MMP) progress report. Due June 30, 2020.
2. Submit a progress report addressing the progress towards attaining the Final Effluent Limitations for Total Recoverable Cadmium. Due June 30, 2020.

The following report was due on June 30, 2020, but was submitted on July 7, 2020.

1. Submit a progress report addressing the progress towards Whole Effluent Toxicity (WET) Limitations for P. promelas chronic toxicity limits.

The three above reports are all in violation of the Permit Section B.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

The Division requires the submittal of the two late reports at your earliest convince.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0667 or you may e-mail me at [gavin.gray@adeq.state.ar.us](mailto:gavin.gray@adeq.state.ar.us)

Sincerely,

A handwritten signature in blue ink that reads "Gavin Gray".

Gavin Gray  
Enforcement Analyst  
Water Division / Enforcement Branch
