Richard McCormac, Mayor

March 19, 2018

Gavin Gray

Arkansas Department of Environment

Dear Mr. Gray,

According to our water manager and our licensed water superintendent, our Clinton Water and Sewer Department had a sewer issue March 9-12. We dug for 48 hours and then some more hours to get sewer flowing back to plant. We diverted it the best that we could to get it away from the community. We did have to bring in some outside sources to help get the sewer unstopped. We put on at least 450 pounds of lime on the affected area.

Sincerely,

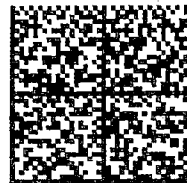

Richard L. Hink

Clinton Water Department Manager
