Deficient Discharge Monitoring Report

Dear Mr. Smith:

The Department has received the Discharge Monitoring Report (DMR) submitted for the January 2012 Monitoring Period, Discharge Number 01AA. Upon review, I noticed that you failed to indicate parameter values for the Free Available Chlorine parameters (MO AVG and DAILY MX, mg/L). Submittal of a corrected copy of this form will be required.

Please submit the corrected DMR, clearly marked as "Corrected Copy", with the change highlighted. Submit two legible copies of the corrected DMR with an original signature and date. The corrected copies should be received by the Department by **March 19, 2012**.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0632 or you may e-mail me at [bolenbaugh@adeq.state.ar.us](mailto:bolenbaugh@adeq.state.ar.us)

Sincerely,
