RE: NPDES Permit No. ARG550398, AFIN 70-00473

Dear Mr. Murphy:

A review of the NPDES file for the above facility has revealed that the following Discharge Monitoring Report (DMR) has not been received by the Department:

- DMR Monitoring Period End Date 12/31/2011, Discharge 001-Y

If you have already submitted the DMR in question, please assist us in correcting our records by submitting two copies marked with an original signature and date (carbon copy, photocopy or faxed signatures cannot be accepted). If the DMR has not been submitted, please do so immediately. Your response should reach the department by **August 24, 2012**.

Any violation of your NPDES Permit is subject to enforcement action by this Department, pursuant to the Arkansas Water and Air Pollution Control Act. The regulations and your NPDES Permit require that you take all reasonable measures necessary to eliminate or prevent the occurrence of violations.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0631 or you may e-mail me at johnsonm@adeq.state.ar.us

Sincerely,

Miles Johnson
