RE: NPDES Permit Number ARR00B007, AFIN 26-00039,
Missing 2013 Discharge Monitoring Reports and 2013 Annual Report

Dear Permittee:

The 2013 Annual Report and 2013 Discharge Monitoring Reports (DMRs) for the above-referenced facility with permit coverage under the General Industrial Stormwater Permit **were not received by January 31, 2014 as required by Section 3.12.3 of the permit**. Facilities covered under the Industrial Stormwater General Permit are required to sample and monitor their discharge twice a year as outlined in Part 3 of the permit and submit DMRs and an Annual Report.

Failure to submit required reports is a serious permit violation. Please note that any violation of your permit can lead to enforcement action by ADEQ pursuant to the Arkansas Water and Air Pollution Control Act.

Please submit the 2013 Annual Report and 2013 DMRs no later than **May 20, 2014**.

Thank you for your attention to this matter. Should you have any questions or concerns, feel free to call 501-682-0667 or e-mail bolenbaughm@adeq.state.ar.us.

Sincerely,

Michelle Bolenbaugh
