Re: Individual Treatment System General Permit, Anthony Forest Products Company- Urbana Sawmill,
Urbana, AR
(Permit Tracking No. **ARG550398**, AFIN **70-00473**)

Dear Mr. Murphy:

The Notice of Intent (NOI) package for coverage under the Individual Treatment Facilities General Permit, ARG550000, for the property in Urbana, AR was received on 10/4/2011. In accordance with Department policy, the NOI has been reviewed and has been determined to be complete. Coverage under this general permit will be effective the date of this letter. Enclosed are a copy of the Notice of Coverage (NOC) and the General Permit ARG550000.

The NOC is for informational use only and if any information provided on the NOC is incorrect please notify the Department immediately so that our records may be corrected.

Please be advised that the permit contains monitoring and reporting requirements. The Department requests that you read and familiarize yourself with the terms and conditions of the permit. You are required to comply with all conditions and requirements of this permit. Any permit-related correspondence must include the Tracking Number referenced above. Pre-printed Discharge Monitoring Reports (DMRs) will be mailed to you at a later time by the Department.

The operator of this treatment facility shall be a licensed Class II operator in the State of Arkansas in accordance with Act 1103 of 1991, Act 556 of 1993, Act 211 of 1971, and Regulation No. 3, as amended.

Thank you for your cooperation in this matter. Please contact the General Permits Section of the Water Division at (501) 682-0623 if you have any questions.

Sincerely,

Mo Shafii
Assistant Chief, Water Division
