Waste Stabilization and Closure Plan

Dear Mr. Carver:

The waste stabilization and closure plan of June, 1995 by Woodward-Clyde has been reviewed and is approved herewith. You are authorized to begin construction in accordance with the approved plan.

Upon receipt of a closure certification report, as discussed in the closure plan, you will be contacted and a final closure inspection of the landfill facility will be scheduled for a time mutually agreeable to EDC and the Department.

If you have any questions or comments, or if I can be of service please call me at 501-570-2854.

Sincerely,

Rodger Payne
Engineer
