① I request that all areas where swine waste is proposed to be spread, to be further examined and extensively researched to determine that they do not lie above karst topography.

② Please consider that you are risking ~~the~~ the health of the citizens of Arkansas by contaminating important water sources.

- ① What procedures/emergency plan is in place in the case that local water sources are contaminated?
- ② Who will be held responsible if a spill occurs in transferring waste from the original source to the proposed fields?
- ③ Please consider extending the public comment period on this proposed permit draft modification.
