Subject: EC Farms Comment Submission problems
Date: Wednesday, April 06, 2016 8:46:01 AM

Hello,

I received a report that someone submitted comments on the EC Farms issue to the address shown in the PN, Water-Draft-Permit-Comment@adeq.state.ar.us and it was returned as undeliverable. Can you confirm if this is the correct address? We had a similar problem with the 303(d) comments which created lots of confusion.

Thank you,
Gordon Watkins
