To: ADEQ- Katherine McWilliams, Eng. Site Manager Permits Branch Office of Water Quality

Ref: EC Farms Site Management Plan: EMI Patricia/Ed Mills Sec 33 15 N 21 W containing 6.6 acres.

We want to be removed from this plan as we now have 3 rental cabins and home at this location on Smith Mountain Road and hog sewage would be detrimental to our business.

We were just informed of this plan today.

Thank you,  
Ed Mills and Patricia Mills
