RE: AFIN No. 72-01074, Permit No. 4837-WR-2
Notification of Possible Enforcement Action

Dear Mr. Meeks:

The Department has made several attempts to retrieve a Financial Assurance mechanism for the referenced permit, including by email on 02/05/2014, 04/01/2014, 05/07/2014, 06/03/2014, and 06/13/2014. Please submit a Financial Assurance mechanism in the amount of \$43,456.00 within thirty (30) days of the date of this letter. Otherwise, your permit request will be voided, and the application process would have to be restarted in order to obtain a permit. Please be advised that you are currently operating under an expired permit. If a Financial Assurance mechanism is not received by the Department by the aforementioned deadline, your permit file will be sent to the Enforcement Branch where appropriate action may be taken.

Thank you for your cooperation in this matter. If there are any questions concerning this submittal, please contact Casey Vickerson of my staff at (501) 682-0653 or by email at Vickerson@adeq.state.ar.us.

Sincerely,

Mo Shafii
