Mr. Carlton

It has come to my attention, ADEQ has not received copies of Sloan Estates POA's May and June 2016 Monthly Monitoring Reports (MMRs) for the Permit 4837-WR-2. Please note, your permit requires the submittal of MMRs to ADEQ's Office of Water Quality, Permits Branch.

Please submit copies of the delinquent May and June 2016 MMRs to my attention at the address listed below.

If you have any questions, please do not hesitate to contact me.

Thanks
